

FRONT STREET 2030

Prudhoe Community Partnership, Prudhoe Town Council and local traders have been working on what Front Street could look like in ten years time.

Our hope is that by 2030 Front Street will be a lively bustling place which still offers good range of shops mixed in with leisure facilities, social services and housing.

There will be safe and attractive open spaces where people of all ages will meet their friends and feel part of the community.

The traditional high street is said to be 'under threat', and so we must adapt to provide great customer service and a range of activities that bring people into the town centre in the daytime and in the evenings too.

What would you like to see to bring this about:

Improvements to shops ?

- More cafes and restaurants?
- More independent shops?
- More attractive shop fronts?
- End walls painted and spruced up?
- A street market?
- Lunchtime time and evening activities?
- Indoor childrens play area?
- New shop fronts?

Tells us your ideas:

.....

.....

.....

Improvements to the landscape?

- Redesigned and revamped Glade?
- More street events like craft fairs and theatre?
- More seating to bring people together?
- Something whacky in the 'gap' next to McGees?
- Flags and banners?
- Better signage and information?
- Hanging baskets on the shops?
- Bidding for major events like Tour of Britain?

Tell us your ideas:

.....

.....

Managing the traffic ?

- More parking spaces?
- Improved parking layout?
- 20mph speed limit?
- Better bus/ train links?

Tell us your ideas:.....

.....

.....

Stronger marketing?

- Building the Prudhoe brand?
- Better websites for residents and visitors?
- Town maps and leaflets?
- More events like the Art Trail?
- Events at the Castle?

Tells us your ideas: AT GINEVRAS ON TUES 18TH JUNE 5 – 7PM:

DRINKS, REFRESHMENTS AND DEBATE ABOUT FRONT STREET 2030

More ideas overleaf.....

FRONT STREET 2030

BIG IDEAS:

This is a 10 year plan and some changes will take a while. We need to think big to thrive. What about?

A Theatre or cultural centre?

A long term dream but we need to make plans for a space for performing arts and exhibitions that will bring life into the town in the evenings?

Pedestrianisation ?

Take traffic off Front Street to make it a more attractive shopping and leisure environment?

A Town Square?

Working with Northumberland Estates to redevelop the areas north of Front Street beyond the Legion Club as a new public space with leisure amenities?

More employment in the Town Centre?

Well paid jobs to keep people in Prudhoe

Hotel or guest house?

To make Prudhoe a tourist hub?

Links to the Aldi development?

Could be an asset not a threat so lets have pathways to the by pass and work together?

A Town Centre Manager with some money?

Lets have someone bright and keen with some funds to make these plans happen?

East Centre redeveloped?

Turn East buildings into something to be proud of as you come into town, ideally for young people ?

Dont be shy, tell us your big ideas:
