Balances after Committed Spending ([a] - [b])	£48,755

Invoices not yet paid [d]	£7,245
VAT paid/not yet reclaimed [e]	£5,662

Asset Reserve Fund (removed and held separate to budget)	£40,000
Estimate yr end balance for budget	£28,662

The intention is to build this up each year. We now have 5 play areas for which only maintenance costs are included in the budget. AWe will have taken on the toilets in 2018-19 and expect to take on the East Centre also. The ARF is held separately to the budget, if it is not spent it does not reflect poorly on the council's spending plans, it is also held in a higher rate account and we could also invest it further.
