

Keeping Everyone Safe Covid-19 Preventative Measures

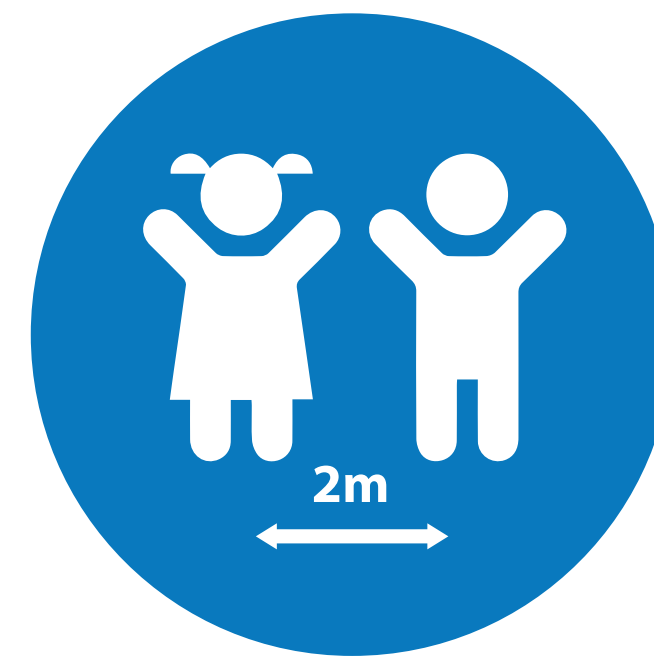

If the play area is busy, please wait safely or come back at another time. Max 12 users recommended.

1 user/family group on each piece of play equipment, unless signposted otherwise. Please share and take turns.

Do not enter if you are unwell or experiencing Covid-19 symptoms.

Maintain a 2 metre distance between yourself and others.

Sanitise your hands before, during and after using the play equipment.

Avoid touching your face with your hands.

No food or drink in the play area. Dispose of litter responsibly.

Play equipment is checked for safety defects but is NOT cleaned or sanitised.

If you sneeze, catch it and bin it. DO NOT litter.

Wash your hands thoroughly when you get home.

**Please be patient and kind.
Everyone deserves to play safely.**
