Dear Sarah

It is the 100th Anniversary of the Royal British Legion (RBL) this year and so far our County Committee have come up with two events: -

1. Saturday 10th July 2021 – Standards plus one on the Millennium Bridge. There is to be a service at 1600hrs followed by a fly past with an aircraft dropping poppy petals. At 1800hrs there will be entertainment on the Gateshead side of the bridge.
2. Sunday 11th July 2021 – Corbridge RBL branch have invited Wark and Prudhoe RBL branches to a service. There is no time for the service as of yet. The service is to be filmed and personal memories are to be read out.

Two of the stories come from Prudhoe and I think they should be filmed while being read at our memorial in the Glade. I have contacted Mr Robson and he is willing to do this for us and then email it onto whoever is organising the film.

I have had nothing from our County Office in writing as of yet.

Prudhoe Branch of the RBL and the Womens Section have raised £16,100 for the Poppy Appeal this year and we would like to put on an event in the Glade on either Saturday 31st July 2021 or Monday 2nd August 2021. We have given the Community Band these two dates in the hope they will be free for one of them. For the 90th Anniversary Mrs J McGee was our Mayor and organised an event with children from the local schools running their own stalls. It was a great success and we hope to repeat it this year. We hope this meets with the approval of the Town Council. Thank you and best wishes to all

Regards
