Request to continue Live Streaming Town Council meetings

Hi Sarah

I write as a resident who recently watched the live-streaming of Prudhoe Town Councils meeting.

I am also aware of a number of other individuals in our community who also watched online. As many organisations have seen the benefits of online streaming which have increased event attendance including churches and other groups, I write to request that Prudhoe Town Council continue to live stream meetings.

I believe this will increase transparency and openness of decisions made by Prudhoe Town Council, but will also increase involvement by the general public in meetings.

I look forward to watching many more PTC Live Streamed meetings with my tub of popcorn!

Regards
