### Fees Increase

The above fees represent a 3% increase from 1st August 2023 to 1st August 2025

### Children's Funeral Fund

Fees relating to funeral/cremation for children (aged 1 -18) are not charged to families. Fees are imposed, as above, but reclaimed via the Children's Funeral Fund, by Funeral Directors or the Burial Authority. This fund came about in July 2019. It is not means tested and the family do not have to make the claim, therefore any fee is not passed on to families.

### Residency

Residents Fees apply in all cases where the person to be interred, or in respect of whom the 'exclusive right of burial' is purchased for, is a resident of Prudhoe or Mickley, immediately prior to death or prior to purchasing the exclusive right of burial. In the case of children (1-18) residency of parent(s) is applicable. Residency is also applied to all fees where the exclusive right of burial was purchased as a resident, even if the deceased is no longer a resident at the time of death.

### Memorials

There are strict rules in regards the type of memorials permitted and those licenced to install and maintain memorials. Please see website or ask. Stability tests are carried out every five years.
