Dear Resident,

Proposed Parking Restrictions – Prudhoe Town Centre

Northumberland County Council has received concerns regarding the current parking arrangements in the town centre of Prudhoe. In order to address this, amendments to the existing restrictions are proposed to improve parking facilities in the form of limited waiting parking bays, disabled bays, loading bays and permit parking bays.

A drawing showing the extents of the proposed new parking restrictions can be found by visiting the Public Consultation page at <https://consultation.appyway.com/northumberland> or by scanning the QR code provided here:

Highways Improvements are asking for your views on this matter and would be grateful to receive any comments you may have. If you wish to make comments either supporting or not supporting any aspect of the proposal, please do so via the Public Consultation page before **19th September 2025**. For any other queries on this matter or for any further assistance accessing the plans please email highwaysprogramme@northumberland.gov.uk.

Regrettably, it is not possible to reply to individual comments, but you may wish to note that comments may be included in a Decision Report to the Director of Environment & Transport and may be available for public inspection.

Yours Faithfully,

William Binks

Programme Officer, Highways Improvements Team
