Refurbishment works on the memorial benches has now been completed.

Spoil Pit – New Cemetery

The soil has been removed, and ground levelled, albeit still a small section which requires further attention, this is an area which could be considered for future enhancement through planting.

Chapel Break-In

The Chapel was broken into over the weekend of 11–12 October. NCC staff notified the police, and following forensic investigations the building was secured and made safe. No items were taken during the incident; however, one window requires replacement, along with an internal door. Additional safety measures have since been implemented following a further incident.

Interim Memorial Inspections

This has recently been carried out, 11 memorials have been inspected, 10 which have passed and 1 has been repaired.

Plot Subsidence

Following recent periods of torrential rainfall, there has been an increase in the number of burial plots experiencing subsidence. The affected plots will be topped up to restore ground levels and ensure the continued safety and dignity of the burial areas.

**It was AGREED** to receive Cllr Carol Stephenson's proposal that Prudhoe Town Council seeks tenders from qualified contractors for the design, construction, and delivery of an environmentally sustainable memorial garden on the land north of the chapel in Edgewell Cemetery.
