

Town Council Planning Meeting

Summary of Presentation

Where are we trying to get to

Review the area of existing planning plans

Understand the process of investing in Prudhoe advocated by the Plans

Pull together all the organisational issues with the Plans for Prudhoe

Focus the initiatives

The path of least resistance to regenerate Prudhoe is through collaboration

- Commit and to the Place Plan developed by PCP/Borderlands/NCC. This will provide us with the resources
- Extend the objectives of the Place Plan to Include wider Prudhoe regeneration issues
- Work with the Prudhoe Poverty Coalition to clearly identify issues through research and to agree actions for the regeneration issues in Prudhoe
- Agree an engagement process which actively commits those stakeholders, involved in the problem, with the solution
